WESTERN SKATERS LEAD IN TITLE MEET

Everett McGowan of St. Paul Wins One Mile and Half Mile Events.

WOMEN'S RECORDS FALL

Miss Rose Johnson Clips Time From Old 100 and 220 Yard Marks.

Special to THE SUN and NEW YORK HERALD. LAKE PLACID, N. Y., Feb. 19.—Western speed skaters carried off the bulk of the honors in the first day's contests in the international championships here today. They outclassed the Eastern stars.

In spite of the unfavorable weather a large and enthusiastic crowd witnessed the races. Heavy snow fell during the contests and accumulated at the rate of two inches an hour.

Everett McGowan of St. Paul carried the day with a total of 60 points by winning the half mile and mile races. Roy McWhirter of Chicago tied with McGowan for second honors with a total of 50 points. McGowan of Winnipeg, Canada, and Joe Moore, formerly Metropolitan champion and now a spectator, were the only Americans to finish in the top three places.

McGowan's success does not come as a surprise to those who have been following his performance closely. He has been a consistent winner this season and has shown remarkable form. Some feel that McGowan would be a worthy opponent for Oscar Mathisen, who has just taken the professional skating title from Bobby McLean.

However, there seems to be no immediate prospect of McGowan turning professional, so the relative ability of the two men must remain a speculation.

McGowan won his heat in the one-half mile, finished second to Joe Moore in the semifinal and beat Charles Jewtraw for first place in the final by over three yards. Jewtraw was also the same distance ahead of Moore, while McWhirter lost third place by inches. McWhirter made the fastest time for the even, 1 minute 20.35 seconds, which was 3.25 seconds faster than the final heat.

Big Entry for Mile Race.

The large number of entries made it necessary to skate the one mile senior event in four heats first, three men in each, to qualify in the final.

McGowan of New York, skating for Lake Placid Club and considered to have a good chance in the final for the mile, qualified in his heat, but was cut badly. He was kicked by one of the competitors while rounding the last turn. Letch was unable to start in the final, but it was found upon examination by the club physician that the cut is not serious. He will be able to take part in tomorrow's and Friday's events.

Three men were qualified for the final: Charles Jewtraw, Joe Moore and Al Leitch, all of Lake Placid; Roy McWhirter, Gus Fetz, Martin Topper and William Steinmetz of Chicago; Everett McGowan of St. Paul, Minnesota; and J. H. J. Miller, Milwaukee, and Joe Miller of New York.

Jewtraw Falls Near Tape.

Charles was out of luck, however, for Jewtraw was unable to finish his heat and was unable to get a place in the final. Jewtraw, skating on the outside, sped by Moore and McWhirter, with Goodman following closely, but Goodman was unable to make the tape. Jewtraw was cut by Moore and McWhirter, who were both in the lead when Jewtraw fell. Jewtraw was cut by Moore and McWhirter, who were both in the lead when Jewtraw fell.

NO AMERICAN POLO TEAM IN OLYMPICS

Association Declines With Regret Invitation From Belgian Committee.

America will not be represented in the Olympic polo tournament in Belgium this summer. Acting on an invitation from the Belgian polo committee, the executive committee of the American Polo Association at a meeting at the Downtown Club yesterday decided to decline with regret and to inform the Belgian officials immediately of that fact.

The decision was prompted by the fact that little has been done in this country since the termination of the war toward the development of polo players, and by the knowledge that there was not sufficient time left in which to get a team in shape that would be representative of American polo. The same reasons have already been advanced by both England and America for the postponement of all international cup challenges and matches until 1921.

The letter from the Belgian polo committee disclosed the fact that the Olympic tournament will be held at Ostend instead of Antwerp, as the American polo field is not in condition for play and could not be made ready in time. The tournament is to start early in July.

Preliminary consideration of universal polo rules revised and proposed by the Hurlingham Club of England, holder of the international polo cup, was given yesterday by the executive committee. The data included the proposed rule changes and matches until 1921.

The regulations of several clubs that were disrupted during the war and that have had no opportunity for reorganization were accepted. The list included Riding and Driving Club of Brooklyn, Westchester County Polo Club of White Plains and the Chicago Polo Club. It was announced that the Polo Association will not insist upon any unpaid dues of clubs disrupted by the war and will permit them to rejoin the association.

The association will be permitted to change its name to the Easton Polo and Riding Club, as the club's field is really within the Easton town limits.

In the absence of H. L. Herbert, who is out of town, William A. Hazard, secretary-treasurer of the association, acted as chairman at yesterday's meeting.

The events on tomorrow's programme are the 40 yard and two mile senior championships for men and the 440 yard championship for women. Tomorrow will also be junior races for boys. The summaries of to-day's races follow:
